Γ. Dear Mary,

It's been a few days since we last spoke. How are things with you and your family?

I hope everything is just fine. I wanted to confess something to you that is really bothering me.

I know that you didn't actually mean it, but remember last week when we went to the theater with my friend? Well, I didn't tell you anything at that moment, but what really hurt my feelings was the fact that, in his presence, you talked about what I had confided in you about my boyfriend. I don't know if you have realized but these are not things that I enjoy discussing with just anybody! I had shared those secrets with you only because I trust you too much and I consider you a true friend.

Luckily, I was there and you didn't give away too much; but I would really appreciate it if you try to understand my point of view and think twice before revealing any other information without my permission!

I hope that I haven't offended you but our friendship is really important to me and I wouldn't like to hurt it.

Best wishes,

Angelos
